

[Henckelia dielsii] Erratum to Taxon 60(3).

Taxon 60(5): 1525.

REFNO: 3796

KEYWORDS:

China, Henckelia, Sichuan, Yunnan

ERRATUM TO TAXON 60(3)

Weber, A., Middleton, D.J., Forrest, A., Kiew, R., Lim, C.L., Rafidah, A.R., Sontag, S., Triboun, P., Wei, Y.-G., Yao, T.L. & Möller, M. Molecular systematics and remodelling of *Chirita* and associated genera (Gesneriaceae). *Taxon* 60(3): 767–790.

It has been brought to our attention that one of the new combinations in the above paper was not validly published. This is hereby rectified.

Henckelia dielsii (Borza) D.J. Middleton & Mich. Möller, **comb. nov.** ≡ *Didymocarpus dielsii* Borza in Repert. Spec. Nov. Regni Veg. 13: 390. 1914 ≡ *Chirita dielsii* (Borza) B.L. Burt in Notes Roy. Bot. Gard. Edinburgh 23: 97. 1960.

We are grateful to Katherine Challis (K) for bringing this to our attention.

David J. Middleton

ERRATUM TO TAXON 60(4)

Leong-Škorničková, J., Šída, O. & Ardiyani, M. (2023) Proposal to conserve the name *Curcuma euchroma* against *Erndlia subpersonata* (Zingiberaceae). *Taxon* 60(4): 1214–1215.

Lectotypus (hic designatus): *Heyne 49* (BO No. 166758; isotypes: BO No. 166759, BO No. 166760)

Should be corrected to:

Lectotypus (hic designatus): *Heyne 49* (BO No. 166758; isolectotypes: BO No. 166759, BO No. 166760)

Jana Leong-Škorničková
