

Erratum

Three new species of *Gesneria* (Gesneriaceae) were published in *Systematic Botany* 48(1): 34–43 (2023) by Simon Joly et al. However, two of the new species were given the same type specimen number. The correct type designations are:

Gesneria flava Lambert, Simon Joly & J.L.Clark, sp. nov. TYPE: HAITI. Departement du Sud: Massif de la Hotte, Parc National Pic Macaya, forested area near Ville Fromon, 18°19'11''N, 74°00'41''W, 986 m, 13 Jan 2015, J.L. Clark, W. Cinea, I. Henrys, M. Despaigne & M. Sturla 14460 (holotype: MT!; isotypes: B, E, FLAS, G, JBSD, K, MO, NY!, P, SEL!, UNA, US!).

Gesneria radiata J.L.Clark & Cinea, sp. nov. TYPE: HAITI. Departement du Sud: Massif de la Hotte, Parc National Pic Macaya, forested area near Ville Fromon, 18°19'11''N, 74°00'41''W, 986 m, 13 Jan 2015, J.L. Clark, W. Cinea, I. Henrys, M. Despaigne & M. Sturla 14465 (holotype: US!; isotypes: B, E, FLAS, G, K, MO, MT!, NY!, P, SEL!, UNA).
